**Morning Worship Sermon Notes**  
**Morning Text: Habakkuk 2:2**

**We are now moving from Our Banner of Celebration and Service (those Mighty and Meaningful “M’s” that was with us on Air Base and brought us here to Ray Thorington) to What is our Vision Now?**

**OUR VISION – Was Then and Is Now**

**“To Build”**

**B** Being God’s representatives – agents and ambassadors on earth

Blossoming where God has planted you

Bring men into the loving knowledge of Christ

**U** Unifying saints – seeing and being on one accord and not being divided against itself

Uniting unbelievers to the church – upon their confession in Christ Jesus as Lord and a symbolic baptism in the name of the Father, Son, and Holy Ghost

Using the resources that God has given us – Time, Tenth, & Talents

**I** Investing in men and businesses

Impacting people, homes, community, and the world at large

Illustrating the Love of Christ and His forgiving power

**L** Leading people to the Cross of Forgiveness – always; not a onetime thing

Learning His Word, Discipline, Doctrine, and Disciplining others

Leaning on the Love of Christ at all times, in all situations

**D** Designing Ministries, Programs, and Buildings to carry out His charge to us
